PRE MEETING MATERIALS:

- [NZ-EC Price Survey](#) was previously forwarded to NZECS Participants. If you work for a Participant it would be appreciated if you or someone else from your organisation could complete the survey prior to the User Group meeting.
- [BraveTrace Website Resources](#) We encourage you to view the resources currently available on the BraveTrace website to help inform the discussion on the related agenda topic.
- [BraveTrace Annual Production Year 2025 Report](#) This report includes analysis on NZ-EC trends and provides useful background material in advance of our NZECS Production Year discussion.
- [NZECS Roadmap spreadsheet](#) where you can rank your preferred products for us to work on. Please see the slides for more information regarding each proposed product
